

NORTHSIDE ELEMENTARY

Every Child. Every Chance. Every Day

August 2017

Dear Northside Elementary Parents/Guardians,

We are very excited to once again offer the **Monday Early Release Homework Club** to all of our students! Students, parents, and teachers all agree that this program has proven to be a very positive and effective start to the week.

This program will begin on Monday, September 11th and will be held each Monday when there is an early release. The homework club will start on those Mondays at 2:10 PM in the cafeteria. During this time, students will have the opportunity to complete homework, practice spelling words, practice math facts, read to other students or adults, read silently, play educational games, or participate in other activities that will be educationally beneficial. The program will end at 3:15 PM and parents are to pick up their students at that time. The program will be staffed by support staff.

If interested in signing your child up for this valuable program, please complete the form below and return to school at Meet the Teacher on Wednesday, August 30th or the first day of school. If you have any questions, please feel free to call or e-mail me.

Sincerely,

Amy Timmerman
