There will be a continuation from previous year's emphasis on combining boys and girls during 'event time'. This is to ensure each athlete gets as much time as possible with coaches that have technical knowledge of their event and to be able to better utilize our assistant coaches - as track and field knowledge is the same for both boys and girls! We are happy to add another new coach this year, covering all event areas.

Guidelines and Expectations

1. Have your physical / alternate year sheet in on time.
2. Show up to practices and meets ON TIME. Stay for the ENTIRE meet – we are a team...support each other.
3. Communicate with the coaches if you may have a conflict during a scheduled practice or meet. Do not relay messages to us through your teammates.
4. You must ride on the team bus to away meets. If you do not plan on riding home with the team, you must have a parent / guardian sign you out with approval of the Athletic Director before the competition.
5. Be involved in the meets when you are done competing. The most important event is YOURS, but please stay around after your event(s) and support your teammates.
6. Prepare for all types of weather. We will sometimes practice and possibly compete in the cold, rain and snow. Always have extra clothing with you.
7. Keep track of your equipment. Personal items and clothing are often stolen from track meets and locker rooms. Also, take care of things that belong to the team...poles, implements, tape measures, etc.
8. Treat your coaches with respect. Remember - we are here to help you reach your full potential. We want nothing more than for you to succeed.
9. You are a student-athlete, and the word student is listed first for a reason. If you can't get things done in the classroom, then we can't count on you to get it done on the track or in the field.
10. This might be the most important expectation of all...

GO OUT AND COMPETE...DON'T BE AFRAID TO CHALLENGE
YOURSELF...DON'T BE AFRAID TO CHALLENGE SOMEONE
ELSE...YOU JUST MIGHT SURPRISE YOURSELF...HAVE FUN!

"There is no substitute for guts." Paul Bear Bryant

HOW TO LETTER IN TRACK AND FIELD

Badger Conference History

The Badger Conference became an official conference during the 1952-53 school year. It held its first conference championship that year at Fort Atkinson. Listed below are the past champions and the site of the meets.

Originally, 5 places (6-4-3-2-1) were scored, but as the number of events increased, so did the number of scoring places. We now score 8 places (10-8-6-5-4-3-2-1) and have 18 events.

A major change took place in 2001-02, with the conference being divided into two separate divisions; the Badger North and the Badger South. We (MONROE) are part of the Badger South.

Another major change happened in 2012 when the conference decided to not count conference dual meets towards the conference champion. Now only the big conference meet dictates the Badger Conference Championship.
