**School District of Monroe or St. Victor's Elementary School Staff and Families:**

**As many of you know, Governor Evers has issued a "Safer at Home" order effective tomorrow. While this has little impact on the services we are currently providing as a district, it does emphasize to all of us the importance of social distancing and staying at home during this public health emergency.**

**We want to make sure that families are relying on accurate information as we work through this crisis. Here are some resources you can trust for information on COVID-19 (Coronavirus):**

- **Green County Public Health Coronavirus Page - <https://gcpublichealth.org/coronavirus/>**
- **Center for Disease Control (CDC) - <https://www.cdc.gov/coronavirus/2019-ncov/index.html>**
- **SSM Health Self-Screening Information - <https://ssmhealth.zipnosis.com/>**
- **Monroe Clinic Coronavirus Information - <https://www.monroeclinic.org/coronavirus>**
- **UW Health Coronavirus Information Page - <https://coronavirus.uwhealth.org/>**

**While we have become accustomed to receiving information through social media, I encourage utilizing these sites to get accurate information on the COVID-19 epidemic and recommendations on how best to protect yourselves and your families.**

**Have the best week you possibly can under the circumstances and stay healthy!**

**Sincerely,**

**Rick Waski**

**District Administrator**
