The Board

The Monroe Excellence in Education Foundation is governed by a volunteer community Board of Directors. The Board operates independently from the School District of Monroe.

Responsibilities of the Monroe Excellence in Education Foundation Board of Directors include determining project priorities, fundraising for current projects as well as growing an interest-bearing endowment fund, encouraging education innovation by making grants, and recognizing excellence in achievement with awards.

Board of Directors

Excellence in Education
Foundation

“Enhancing the Future of
Our Children”

What is Excellence In Education?

After nearly a year of careful planning, the Monroe Excellence In Education Foundation was established by friends and supporters of the School District of Monroe in the Spring of 2002.

The Monroe Excellence In Education Foundation is:

- guided by a Board of Directors consisting of volunteer community leaders, business partners, and educators independent of the school district and the Board of Education
- a component of the Monroe Fund organized under the Community Foundation of Southern Wisconsin

Our Mission

"The Monroe Excellence In Education Foundation is an independent community organization that provides private resources to enhance educational programs, offer extended educational opportunities, encourage innovation, and recognize the achievements of students and staff in the School District of Monroe."

In addition to the mission statement, the Excellence In Education Foundation will serve as a vehicle to solicit, receive, coordinate, and distribute charitable funds in order to:

- encourage and increase local business, civic, and community involvement in the schools of our community
- promote the use of current technologies
- encourage new approaches in education

Give the Gift of Education

We invite you to make a difference in the life of a child. Your gift to the Monroe Excellence In Education Foundation is a lasting and meaningful way of recognizing a special person or event in the life of your family, organization, or business. Some donors choose to honor the memory of a departed loved one. If you have an idea for a special gift, we would love to hear it! We are limited only by our own creativity and the funds available!

Ways to Give

Anyone can make a gift, large or small, to the Foundation. Here are some ways you can make a difference:

- cash or credit card gift in honor of a student or favorite teacher
- class reunion gift
- memorial tribute to a loved one
- stock, real estate or other property transfers
- tax-deductible planned giving options
- wills and estate planning

Why Your Gift is Important?

Private philanthropic dollars allow teachers to be more innovative, students to excel in areas not typically funded by tax dollars, and the community to benefit by better prepared citizens. Your gift will be an investment towards quality education for today's students and future generations.
