

SCHOOL DISTRICT OF MONROE STUDENT RECORDS NOTICE

The School District of Monroe maintains student records for each student attending school in the District. State and federal laws require that the maintenance of such records assure confidentiality. Accordingly, the following shall apply in the district:

1. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to inspect, review and obtain copies of the student's school records upon request in accordance with established district procedures. The District will respond to such requests without unnecessary delay and in no case more than 45 days after the request is made. Copies of the District's student records procedures are available upon request at the school district office at 925 – 16th Avenue, Suite 3, in Monroe, Wisconsin or they may be obtained on the district website at www.monroeschools.com
2. An adult student, or the parent(s) or guardians(s) of a minor student, has the right to request the amendment of the student's school records if he/she believes the records are inaccurate or misleading. Complaints regarding the content of student records may be made in accordance with established district procedures. Copies of the District's procedures are available upon request as outlined above.
3. An adult student, or the parent(s) or guardians(s) of a minor student, has the right to consent to the disclosure of information contained in the student's school records, except to the extent that state and federal laws authorize disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials determined to have legitimate educational or safety interests in the records. A "school official" is a person employed by the District who is required by the Department of Public Instruction to hold a license; a person employed by or working on behalf of the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and police-school liaison personnel); a person serving on the school board; a person or company with whom the District has contracted to perform a specific task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a "legitimate educational or safety interest" if the official needs to review a student record in order to fulfill his/her professional or district responsibility.
4. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to file a complaint with the U.S. Department of Education for alleged district noncompliance with federal Family Educational Rights and Privacy Act (FERPA) requirements. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue SW
Washington, DC 20202-4605
5. The District makes public certain information that has been designated as "directory information" unless the parent/guardian or adult student has notified the records custodian in writing within fourteen (14) days to restrict the release of all or part of this information. The District considers the following to be "directory information"; the student's name, address, e-mail address, telephone listing, date and place of birth, class (freshman, senior, etc.), enrollment status (full-time, half-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received, and the name of the school most recently attended by the student.
6. The District will forward records to other schools that have requested the records and in which the student seeks or intends to enroll, or is already enrolled, as long as the disclosure is for purposes related to the student's enrollment or transfer.
