

WISCONSIN ACCOUNTABILITY – SCHOOL REPORT CARDS

As part of the state accountability system, the Department of Public Instruction (DPI) produces report cards for every publicly funded school and district in Wisconsin. These report cards include data on multiple indicators for multiple years across four Priority Areas (Achievement, Growth, Target Group Outcomes, and On-track to Graduation). In addition, the report cards provide course and program participation information for grades 9-12 for public schools and districts. A school or district's overall accountability score places the school/district into one of five overall accountability ratings:

<i>Accountability Rating Category</i>	<i>Accountability Score Range</i>	
	<i>Minimum</i>	<i>Maximum</i>
Significantly Exceeds Expectations - ★★★★★	83	100
Exceeds Expectations - ★★★★☆	70	82.9
Meets Expectations - ★★★☆☆	58	69.9
Meets Few Expectations - ★★☆☆☆	48	57.9
Fails to Meet Expectations - ★☆☆☆☆	0	47.9

Public versions of the School Report Cards are posted here, organized alphabetically by district. Please select the first letter of the district's name to jump to that area of the alphabet. Click on the district name for a list of schools in the district. Additionally, a state-level download file includes data from each school's Report Card.
