Request for Alternate Busing Services for Eligible Riders

Provide all necessary information below, sign and return to Lamers Bus Garage at least 7 days prior to the start of the requested service. Please understand that this service will be provided in accordance with the provisions of the School Board and Lamers policy on transportation, a copy of which is available at the District Administrative Center. Furthermore, the request can only be approved if there is sufficient room aboard the bus and if the request does not take the bus off the existing route for the current school year. The School District of Monroe and Lamer's reserves the right to refuse this special request for bona fide reasons.

Please fill out ALL information completely.

If you have any questions regarding this form, please call Lamers bus garage at 325-7788.
