Additional Information:

1. HOT LUNCH PROGRAM PAYMENTS CAN BE MADE ONLINE VIA FAMILY ACCESS/FEE MANAGEMENT.

PAYING STUDENT FEES ONLINE

The School District of Monroe has an electronic fee management system. This payment system is available within Family Access. The program will allow you to log into your child's account to check fee balances 24/7. With just a few simple clicks you can also pay student fees online.

At the beginning of August, the fee management program will be updated with school fees for the 2020-2021 school year. These fees are charged to your account based on your child's individual class schedule. If you would like to pay for an athletic fee, you can easily add these charges within the program.

With the click of a button, you will be redirected to ** "e-Funds for schools" where you have the ability to pay various school fees and lunch payments via an electronic withdrawal from your checking account or by credit/debit card.

A "how to" tutorial is available for your use. Log into your Family Access account and look for the school building icon in the upper right hand corner. Click on District Links.

More information about paying school fees on-line for the 2020-2021 school year is available in a separate flyer that is included in this packet. If you need further assistance, please call 608-328-7528.

** e-Funds for Schools" electronic payment service is provided to the school by a third party service provider. The service provider has a nominal fee for their service. The district does not request or keep a record of family checking or credit card account information. You are in full control of your account. There is a \$1.00 transaction convenience fee if you choose to use your CHECKING account for payment and you can pay up to \$750 in a single transaction. The system carries a Non-Sufficient Funds (NSF) charge if the payment is "bad". **For payments made by CREDIT or DEBIT card, there is a convenience fee of \$2.65 per each \$100 increment in the transaction. Fee is subject to change.**

No Payments will be allowed without your knowledge and authorization through this secure payment system. By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed. The e-Funds for School site is secure and uses industry standard data encryption.
