

# Monroe Middle School Parent Volunteer Form

Any parent interested in this program is asked to complete both sides of this form as well as the School District of Monroe Disclosure Statement. After these forms are submitted, a background check will be performed.

*Parents only need to complete this form once each year.*

The purpose of this program is to promote a sense of community within our school. Strong parent participation is an essential element of the unique qualities of Monroe Middle School. Parent volunteers enrich the learning environment, create a more inviting school atmosphere, enhance communication, act as a resource for staff, and ultimately build a positive school community. Any support you can provide is greatly appreciated.
